

KILCHATTAN BAY AND KINGARTH ACCOMMODATIONS LIST

Please see below for a list of accommodation options in the Kilchattan Bay/ Kingarth area of the Isle of Bute. I have concentrated on local and budget options, but of course, this list is not by any means exhaustive and you will find plenty of other options on local accommodation websites, Air bnb and booking.com

Please be aware, the intention of this list is to help in your research of local accommodation, rather than a list of recommendations.

Please check the location of these accommodations, including the distance from Kilchattan Bay, ie whether it is within walking distance, whether you will need your own transport or whether you can take public transport.

Accommodation for Kinship Workshop in SELF-ORGANISED. We cannot support your organisation or booking beyond this list.
